

Fila

Fila range of visitors seating is multi-purpose suited for canteen, hotel, receptions, conventions, training and events seating. With it's stack feature, this chair makes life easy. Neat aligned rows once stacked or by ganging chairs together in rows promotes convenience and ease.

Reduce visual clutter with legs designed to interlock overlapping as a single leg.

Standard Features

- Polypropylene shells
- Drainage hole
- Padded textile
- Stackable 10 high links

Options

- Choice of colours: mango, red, olive, green, charcoal
- Padded seat and back
- White or grey back and leg options

Warranty: 5 years

Weight Capacity: 120kgs
