## MAXX Desking and Mobile Pedestals

- MAXX is an attractive and modern steel furniture collection, comprising 'C' legs, corner legs, dimpled steel modesty panels, meeting table base and a full range of steel mobile pedestals.
- MAXX is steel, providing strength and a long service life.
- MAXX is straightforward / easy to understand with few components but lots of flexibility and potential.
- MAXX is freestanding for fast and easy re-configuration without the need for expensive technical support.
- MAXX handles technology easily with built in cableways and voids that allow you to connect faster
- MAXX can be used with other systems furniture and freestanding or desk mounted screen systems.
- MAXX 'C' legs have adjustable feet to cope with variations in floor levels.
- MAXX comes standard in an attractive silver powder coat that will work effectively with almost any colour scheme. However any item in the range can be re-powder coated to suit specific requirements
- MAXX pedestals have dimpled side panels that reduce drumming and improve the acoustic environment
- MAXX is proven safe and durable; the desk bases are certified to meet safety, design, strength and durability testing requirements of ANSI/BIFMA X5.5-1998 Office Furnishings Desk Products. The mobile pedestals meet the testing requirements of ANSI/BIFMA X5.3-1997- Vertical Files

650D Desk legs used in workstation configuration.
